The best hostel I ever stayed in! It is all perfect - beautiful interior, comfortable beds, big rooms, balcony, super nice stuff, cozy kitchen and bar with porto wines. It was LOVE! If i will come back to Porto I'll definetly stay here.

a group was visiting and stayed awake late at night with step that seem too loud after 11pm! I did love the family friendly atmosphere especially cosy and intimate
The bathroom doors for the showers and toilets - when people close them, they either don't realize or don't care that the banging sound wake people up in the middle of the night or the wee hours of the morning!!!! It's my 3rd time staying @ Gallery Hostel the last 2 1/2 years, and that's a testament to how amazing this 5-star hostel is - from it's awesome and amazing owners to the staff, the beautiful 100+ years old building renovated exquisitely; a working gallery showcasing great arts, fabulously designed rooms for specific venues - computer room, cinema room, bar & lounge room, and dining room!!! The rooms have 14-ft ceilings, wooden floors abound, and huge bathrooms and toilets in each room!!! Amazing breakfast every day for free - scrambled eggs, hostel made cakes, freshly cut fruit salad, 4 different types of breads, jams/jellies/Nutella/honey, cheese, ham, coffee, tea, orange juice, cereals.....that breakfast for champions alone is enough to lure you to Hallery Hostel!!! Not to mention the amazing dinner they offer for €10 pp every night for a limited number of guests, so, sign up early to reserve your spot and you'll be amazed with the prefixe dinner, but especially, the camaraderie you'll be participating in @ the long table with other guests!!!! I simply love this hostel!!!!

The artistic deco, the originality of the building, the homey feeling in the comunal áreas.
Não me ocorrem reparos relevantes a fazer sobre o Gallery Hostel. O quarto era modelar, com tudo o que era essencial para tornar uma estadia confortável e tranquila. A limpeza irrepreensível e as condições do banheiro boas. O pequeno almoço estava disponível, e era abundante e variado, embora por razões pessoais, não o tenhamos tomado. De destacar ainda a centralidade da localização, e a simpatia de todo o pessoal com quem contactámos.
Clean sheets, nice room with lovely windows. Big room,clean washrooms. And beautiful interiors. I loved how tastefully its done.
Noisy roommates coming in very late and disturbing others The location, the little bar, the vibe
The hotel was well decorated with bar , tv room and computer room. The bedroom was big with balcony and private bathroom. The beds were even made every day! The staff were very friendly. The breakfast was great with a big selection to start the day. The hostel is very close to all the mayor sights. I will return without a doubt!
The location was so good and the staff so nice. Clean place with all the facilities!

Not much to complain really! Great vibe, clean, welcoming staff, a relaxed atmosphere and pretty well kept. Decent

breakfast - better than most hostels. Quiet dorms, although this is hit and miss depending on other guests, but felt they made effort to keep things quiet in the dorm areas. Good facilities!
No elevator, rooms were on the 3rd floor. There was no warm water in one evening. Spacious rooms and lockers. Reasonably good beds and facility. Staff is helpful and knowledgeable. Location and breakfast is okey.

Excellent place - loved the art. Very comfortable stay.
Como já estivera no hostel em 2017 e tivera uma experiência ótima, sabia o que esperar e não me decepcionei. Não tenho restrições às acomodações, ao pessoal, ao que seja...quem sabe numa terceira visita. Gosto muito da salada de frutas ao café da manhã num contraponto a pão e queijo e café com leite. A equipe do hostel tem a melhor disposição para auxiliar com indicações, orientar passeios.
All pretty good really. The space and tranquility, art and decor.

Too many stairs to get to the room :P The staff was really nice and the áreas were really cozy.
We had a double room but two big groups in so no room at breakfast. Really helpful friendly staff.
One may hear the floor sound from the other floor if someone is walking during the night. Sitting in an artistic neighborhood, the hostel itself is a spacious gallery. The lounge and the kitchen are cozy and pretty. Breakfast goes beyond what you can expect from a hostel. The room and the bathroom allocation per room is simply great.
Their private rooms are luxurious. Their breakfast is excellent and their open breakfast area makes it even more enjoyable. Their inhouse bar runs Happy Days with the drink of the day at reasonable prices
Amazing place to stay for my one night to porto! This hostel is awesome, clean, beautiful, approve of the arts and local artists. You can't get any better deal than this. Also, location is super, you can get apps super easy. Every one is so nice and welcoming!

A equipe atenciosa, o local acolhedor e sempre limpo, os espaços compartilhados muito aconchegantes e funcionais. A decoração do Hostel é muito bacana.
Bed, linens and covers should be much more clean Interior design, staff and facilities
Smell selection of breakfast options.
Bit noisy. People are banging doors constantly. When someone takes shower it sounds like a tank. Nice and clean. Good location. Good breakfast.
Staff was extremely helpful and nice. The atmosphere inside the Hostel is very pleasant. Location just superb. amazing life experience. Porto is a great city.
If you're a light sleeper, noises outside the hostel and the door closing at night might be an issue. I didn't have any difficulty once asleep though. The breakfast was amazing! Way better than any other hostel I've been to. Also the staff were friendly and willing to offer suggestions for places to eat, which were all great suggestions.

O hostel fica a 1km dos pontos de interesse mais próximos. O walking tour é todo em inglês. A degustação de vinhos tb é em inglês.
Os atendentes são gentis, a decoração é uma graça (é igual às fotos). O café da manhã é farto. É uma boa opção para quem quer economizar e se hospedar num lugar legal. O walking tour sai do hostel!

Nothing to be honest (bad)
friendly staff, everything is clean!

Really nice hostel, clean and nice peoples!

Lots of stairs to my room, mattress could have been more comfortable, but it didn't keep me awake. But these things are minimal, the pros way outweighed the cons.
I wish I could clone this hostel so I could stay at it wherever I go. The hostel is beautiful, common areas comfortable, staff super helpful, room spacious , shower heavenly. Breakfast hours very liberal and lots of different foods to choose from. And because it's an awesome place it attracts awesome travelers

Water in the shower was cold, that's the only complaint
Atmosphere and layout of the venue, The whole concept is really cool

In terms of comfort of rooms it's not so great, somehow from the pictures I expected the room more spacious, light and cozy, but that was not the case, plus rooms have bad sound isolation - you can hear toilet flushing from other rooms, and doors are very loud, and.. my locker was occupied by ants. I also had some troubles communicating with staff - of course they are always there for you but in the evenings they have Portuguese dinners so they are busy having fun on kitchen and you simply don't want to interrupt with your minor questions - that was how I felt.

The Hostel has great common areas, they are very stylishly designed and well-maintained, it is a pleasure to stay here. It also has its own Porto guide, walking tours, common activities so you won't feel lost and alone if you want to join other people to enjoy the city. The breakfast was also good.

A small thing - the toilet leaked a little and sometimes had to be flushed a few times, but generally the facilities were really good and the shower was great!
The chilled, welcoming atmosphere and the little details everywhere, like the bowl of flowers on the kitchen table and the music that was playing throughout the communal areas - which have each been designed to be both comfortable and aesthetic. We didn't have a chance to join because we were only there a few days, but the hostel does dinner every night for a small price, which looked lovely and is a great way to meet other guests.

The hostel is very clean and staff is helpful. Compared with other hostels I stayed, where parties were held everyday till midnight, this hostel is rather quiet and serene. I could even concentrate on writing my essay without being disrupted, which is almost impossible when you stay in other hostels.

This hostel has amazing staff. I'd like to rate more than 10 out of 10 for the staff. They deserve extra points ;) Kind staffs here are the reason makes me come here everytime I visit Porto. Everyone here are all really nice and kind, always give warm welcome, make delightful atmosphere. They know everything about the city, recommendations are always perfect. House keeping team also make best with breakfast and the room conditions, make me feeling like home. I really appreciate them all. They made my stay perfect.

Gostei de tudo... Foi a minha primeira experiência num hostel a dormir em camarata. Tive algum receio, não o nego. Mas foi realmente uma experiência positiva e aconselho

vivamente este hostel. Lindo de morrer, muito sossegado! E o pequeno almoço fantástico! Atendimento sorridente e atencioso. :)

1. I stay in 6 female dome,I asked for lower bed but they said it doesn't available.but it is and only 4 pp. That night.And 1 lower and 1 upper bed is no one use. 2. It is a bit noise in the morning 8.00 am
The room was cold because the heating didn't work well. The hostel is in centre; the room (for 6 people) is big and clean. Staff is very nice and prepare for us a breakfast at 4.30 am before the chek out!
I traveled alone for the first time and I felt right at home. I stayed in the deluxe suite and both the hostel and my room were amazing. Everyone who was working there was really helpful and friendly.
Melhor hostel em que já estive (e já passei por alguns!). Café da manhã maravilhoso, camas muito confortáveis, dorm espaçoso, staff amável e prestativo, decoração bonitinha, drinks baratos, só alegria!

Haven't lived in such a good youth hostel, like employees' service attitude, politeness, the hotel is also very good, the toilet is very clean and didn't hear big noise in particular, to Porto next time, will book again.
One of the most beautiful hostels I've been in. It was clean, spacious and comfortable. The toilets were amazing. Having stayed in many many many hostels before, I have to say that I applaud their decision to use normal taps for showers (instead of the press and hold kind). The bed was comfortable too. On top of all that, the staff is helpful and friendly. They explained everything about Porto and even marked out the best areas to eat and take photos.

Quarto grande e confortável, boas e bonitas áreas de convívio, funcionários simpáticos e ambiente super agradável. Muito bem localizado (longe do barulho da noite mas perto do centro do Porto).
Da hospitalidade, educação, atenção, limpeza, cordialidade!
The building is a little bit noisy during the night. The hostel is completely beautiful, clean and and the staff is very nice. Joanna gave me a lot of tips and suggestions for my trip.

Goodmorning Lisbon Hostel

The bunk beds can be a bit noisy, especially if you sleep in the bottom one as you will hear the screeching from the top bed when people are moving or turning. But you can get used to it quickly. The best hostel I've ever stayed in by far. Amazing and very friendly staff, great breakfast (included) with fresh waffles with Nutella, lots of activities to do in the hostel or booked through the hostel and the location is perfect. It is walking distance from all the main squares and city centre and just next to the metro station. Special thanks to Catalina for organising a great night out and to Tatiana for being so friendly and for loving Romanian food ;-) I hope I wrote the names correctly. Don't forget the happy hour every single day between 7pm and 8pm with free sangria and beer.
Poor breakfast, excellent location.
Não tem elevador e não tem estacionamento para parar na frente pra desembarcar a bagagem. Da atenção dos funcionários, do espaço do quarto e banheiro. E da cama!
wonderful breakfast and Sunday dinner!! lovely reception, lovely people thank you so much!!!
Equipe fantástica.
Os balneários podiam ter um banco ou prateleiras para poisar as coisas. A relação entre as pessoas foi como estar em casa de uma grande família.
Everything is great.

Todos os funcionários são super simpáticos, em especial o Kayke, que deu dica super bacanas.
Friendly staffs and so great activity of the happy hour. I really like to suggest friends to attend the bike tour.
Great staff and great people! Totally recommend!
The staff was the best! The bathrooms were so nice and the complimentary drinks and food were amazing ! Staff was above and beyond any other hostel I have Stayed in. Will definitely come again and recommend to others:)
Great location and amazing balcony in the room. Friendly and helpful staffs. Room is clean. Good breakfast and nice bar place.
Amazing hostel, amazing staff, can't thank you guys enough for making it a family atmosphere every night. It makes a huge difference when staff actually care like they do at Sungate One! Can't wait to come back!
X2 Small bathrooms, (+) location, attractions every day, coolest staff, best people.
The bunk bed is not so good in terms of that it creates noise when one moves and it annoys the other person. Also, there are some noise in the corridor and the floor above after mid-night. The staff is super friendly. The breakfast is great.

A little creaks in the room and the curtain for the bed is noisy. In the common rooms a little noisy from the music and conversation, but in the rooms this is not audible. Sometimes it happens crowded at breakfast (get up early!)

<p>It's not my first time experiences to stay in hostels, but this one is THE BEST I've ever stayed before: from location to staff, from rooms to breakfast!</p> <p>There are several comfortable common rooms, big kitchen. Everything is thought out to the last detail. The bed is comfortable, there is one outlet and two USB for you, a personal lamp, a comfortable large closet for things.</p> <p>Special words about breakfast: I like it! You may choos fried eggs, sausages, chees, fresh vegetables, tea/coffe, bread (and toast)...AND (!!!) excellent waffles with chocolate (Nutella)!!!</p> <p>Lots of additional facilities: free walking tour, rent bike, free evening events with drinks and wonderfull tour to Sintra or Cascais with Joan Pinhao (not cheap, but it worths to do it).</p>

Little bit clouded, friendly staff.
<p>Having to leave.</p> <p>This place is absolutely amazing. The rooms are large and clean and beautiful. I got a private room with a shared bathroom and it was the best place I have stayed at. We walked into the hostel and we're instantly relieved to be somewhere so amazing. Especially with our previous experiences. They focus on not just being a place for you to stay, but a place you can meet people and enjoy yourself. They want to be part of your experience. I was actually upset that we couldn't stay longer and actually looked into extending our trip a couple of days in order to stay there. They have a free beer and sangria happy hour from 7-8 everyday. They have tours in the morning and bike rentals and helpful staff. This place is so freaking amazing.</p>
<p>Its just everything is perfect.</p> <p>Had a ball at the Hostel. Words cannot express the experience one has at this hostel. Friendly is just under rated. They accomodate like you are family and u make friends in a minute.</p>
<p>It was a little on the pricey side for ensuite triple room but it was worth it...</p> <p>We stayed there for 2 nights and with our daughter and had a blast. It really has all the great features, quality and zaniness that everyone here echoes in their reviews. My wife and I (late 50's..) chugged beer ,shared stories and joined the "family" with our daughter (who fit right in being the same age group) Very recommended for any age group, they make sure you are welcome and looked after. Thanks GM H! (we stayed in the large ensuite triple room at the top with good viewing windows and overall comfort. recommended! but you sure do burn some cals marching up and down those flights of stairs... :))</p>
Perfect stay in a perfect hostel.

<p>Wonderful position in the heart of Lisbon (Praca dos Restauradores), perfect to walk everywhere but also well connected through any means of transport to every other part of the city and airport, too. Staff were lovely and activities for guests were in plan every day: from walking tours, to trips to Sintra, to pub crawls, to pizza nights. Toilets and showers were more than enough and also always clean. Definitely recommended, I will for sure come back here when I decide to visit Lisbon again!</p>

Short-changed by the guy in the shop downstairs, but this is not a reflection on the hostel, just something others should be mindful of. I was too tired to challenge it to be fair, but it was an obvious rip off. The food was great, massive breakfast, and the staff's attention to detail and helpfulness was among the best I've encountered. Lots of activities on offer. It was a brief but very enjoyable stay.
O espaço acolhedor, pequeno-almoço maravilhoso, localização excelente, staff do melhor. Excelente.

<p>Couldn't stay longer. The staff are a group of friends who are all lovely and always there to help you, I felt like family. The location is perfectly central. There are lots of opportunities to meet people as they have happy hour with free sangria and beer every day as well a meal each night and big breakfast each morning. Ideal hostel for solo travellers. My flight home was at night so they held onto my bags for me and let me hang around (and gave me a blanket when I fell asleep on the sofa ♡). Room was big with lockers and a good view. Showers and toilets all good.</p>
<p>Well maybe some basic medic drugs? you will love to stay with them forever! the staff are really great, they just treat you as a friend. and environment are also great: clean, trendy. some nice people eat, live, play, and laugh together. Best hostel you ever seen!</p>
<p>Loved it! First time staying in a hostel and had a great experience thanks to Anna (our beer pong was hygienic too!), Bernard (Sintra was so much fun!) and our Jenga champion! and oh my God breakfast was delicious! Great property, great people and most amazing hosts!</p>

The staff of the hostel is extremely fine and the situation of the hostel is fine.

The staff is incredibly friendly! - The location is central and cool! - If you come with the Aeroport bus 1 (4 euros), notice, that the ticket is valid for 24 hours (means, keep the ticket if you fly the next day around the same time, it is valid then). Otherwise, taxi to the airport is 8 euros - not more- , if you are in a hurry.

Me senti em casa o tempo inteiro. Todas as noites tinham eventos no hostel, como noite da pizza, noite de aprender a cozinhar uma comida típica. O quarto era muito confortável e grande. Os banheiros super limpos e grandes. Enfim, eu moraria nesse lugar! Voltarei e recomendarei o Hostel para todos.
Equipe bem preparada para receber os hóspedes, com uma ótima localização e uma boa infraestrutura. Recomendo e muito a estadia no local!

Room in the 4th floor and no lift (but staff s very nice they offer to help) No towel changing (u have to rent them) and no room cleaning service. Room was kinda cold, there wasn't a heater just an airconditioner , a bit weak but it's okay. There were electricity cuts whenever i used the hairdryer at the same time with the air conditioner. There was only one hanger in a big big closet, such a waste :D. No hot water in tap ,only in the shower . No shampoo or shower gel , only soap. Nowhere to hang the towels in the bathroom . You wash the dishes after having breakfast. Perfectly fits booking description , extremely clean hostel and room , exceptional location (metro station , railstation and city center) , good wifi. Exceptional staff , very helpful and cheerful , couldn't have endured the bad rainy weather without u guys , Eric Tatiana Philipe and all the others thank u for the overwhelming positive vibes :) Exceptional breakfast , best we ve had in any hostel in the world and even better than lot of hotels , all types of eggs , nutella waffles, fruits , sausages, Cheese and tomato sandwiches cooking is delicious and preparing serving food is done in a very cheerful unique atmosphere. Lot of cool activities in hostel (pizza night, organised trips, happy hour ...) Exceptional cute big common spaces for everyone to hang out. Big room , balcony with amazing view , private bathroom , comfortable bed , big mirror , strongest hairdryer ever , very soundproof walls and window , not noisy at all even though it's a hostel full of young energetic people :D
Acomodação perfeita, quartos limpos, ensolarados e com ótima ventilação. Nas áreas comuns o ambiente é muito bom também, cozinha ampla e com todos os utensílios necessários.
Well maintained, great location

I have travelled a lot of the world in hostels and airbnb and this was by far my favorite hostel. The staff were so nice and befriended you. Chão antigo do quarto, muito barulho. O staff é sensacional

Everything is perfect!! 😊
É um pouco complicado subir e descer com as malas, já que o acesso é só por escadas. O travesseiro não era muito bom e o chão do quarto fazia bastante barulho. Café da manhã incrível! Localização muito centralizada e bem ao lado do metrô. Bebidas grátis todos os dias de 19h às 20h e sopa grátis em alguns dias da semana. Equipe sensacional!
O hostel é tão magnífico que as vezes não dá vontade de sair pra conhecer a linda Lisboa e ficar lá com os hóspedes e staff haha SENSACIONAL! Qualquer coisa que eu escrevesse aqui não descreveria totalmente o que é esse hostel. Caí no goodmorning de paraquedas em uma reserva de última hora, mas não poderia ficar mais feliz. O staff te recebe extremamente bem desde o primeiro minuto. Tem mil atividades de integração. Conheci muita gente legal. Café da manhã incrível, instalações para além de confortáveis. Você se sente em casa e dá vontade de voltar pra Lisboa só pelo hostel haha Uma hora de cerveja e sangria de graça todos os dias e sopa e chouriço em alguns dias. INCRÍVEL, mesmo!

Não tem acessibilidade e você sobe o equivalente a 02 andares de escada com as malas. A localização é excelente: perto de metro, restaurantes, praças: você faz quase tudo a pé. O staff é maravilhoso: recebem muito bem e são prestativos. A limpeza é muito boa, principalmente nos banheiros que são coletivos oferecendo conforto para quem usa. O café da manhã é bom, principalmente os waffles que são feitos na hora e à noite eles oferecem sopa gratuita às 20:00hs.

A única coisa que me incomodou foi o fato de as camas rangerem bastante, fora isso foi uma ótima experiência! O café da manhã é básico, mas muito bom. Os waffles com nutella são sensacionais. O staff é incrível, super solícitos e simpáticos! Boas acomodações, tudo bem limpo, free drinks todos os dias!! Enfim, não poderia ter escolhido melhor.
Desde a simpatia ao atendimento personalizado
Melhor hostel que ja fiquei em Lisboa. Escolhi somente pela localização e não esperava que fosse tão bom! Os funcionários são extremamente legais, enturmando os hóspedes. Os banheiros eram grandes, com secadores, espelhos de maquiagem, tudo ótimo. A câmara era boa com ondas de luz individuais. Sempre que voltar a Lisboa ficarei hospedada aqui com certeza.
Staffs of hostel are so friendly to all guests. They are so kind and lovely
towels are 2€ extra, worth knowing. But 2€ is not that much at all so don't worry about it. Breakfast with fried + boiled eggs, chorizo sausages, grilled cheese sandwiches, waffles with nutella - the best breakfast I've ever had in any hostel. Café da manhã excepcional (frutas, waffle, Nutella, misto, pães, cereal, leite, café, suco, ovos, carne, tudo feito na hora!) Localização muito boa, na porta de uma estação de metrô, com ônibus, transfer do aeroporto e trens para cidades próximas. Equipe maravilhosa, fazem eventos, dão bebidas e sopa pela noite, tem sala de vídeos e tudo muito limpo. WiFi pega bem em todas as áreas.
Everything is just fine. The hostel is located in the center! It's very clean and comfy! Staff is so CUTE! Superb Breakfast, Free Beer and Sangria every evening from 7-8 pm and free soup several times in a week! Everybody is so smiley and warm! If you are even millionaire you have to choose this hostel cause you can't feel much better anywhere else in Lisbon! I met so nice people there! Tanya, João, Anna and other guyz from the staff, I miss you all and wish to see you soon again and again! <3
(neg) I stayed in private room for 5 nights. There was some house keeping from time to time, but towels haven't not been changed even once (even when i left a towel on the floor).

<p>There is no heater in the room, so be ready there is no place to dry any clothes/towels during winter time and the room itself was rather chilly. (pos) That was my first hostel experience and atmosphere was above expectations. Staff is super friendly and helpful. Breakfast is enough to have only dinner in the evening after. Happy free sangria&beer hour is nice to meet new friends. All evening activities were super cool. Sintra tour suggested by the hostel staff is definitely worth going (even being a bit expensive). Perfect location! Best choice))</p>
<p>Everything is awesome! 😊 This hostel is just amazing! It has that special atmosphere so you feel like home. Everyone is friendly, joyful and careful. Interesting activities every day. Food is really good. In the evening one hour of free beer and sangria. Visiting «Moustache cooking class» is the must :) It will teach you some traditional Portuguese dishes. Moreover, the location of the hostel couldn't be better: very close to the main sights; near is metro station and railway station, from where you can go to Sintra, for example. So if you want to make your visit to Lisbon the most unforgettable experience, you should definitely stay here! You will not want to leave this place! :)</p>
<p>O nome do hostel diz tudo, tudo em inglês. Não domino a língua então não consegui me enturmar e nem participar de algumas atividades. Excelente, desde de que fale inglês.</p>

<p>One of the best hostel ive been !! Lets just say they should change their name to AMAZING hostel 😊 because: amazing staff, amazing location, amazing breakfast, amazing activities, amazing building, and again amazing people lol. If there was one hostel To go in Lisboa choose this one you wont regret it!!!</p>
<p>Fantastic. Was my second time at Goodmorning Hostel. You should go there.</p>

<p>Maravilhoso!!!. Tudo perfeito!!!</p>
<p>It was a bit difficult to find a place. The entrance is through a touristic sotre. I wasn't expecting much but the staff and the people that were there and place itself exceeded my expectations. It really felt like home. And beds are really comfy and you can get some privacy so that's great. And everything was clean and they got very tasty breakfast. They offer free beer from 7 to 8 pm and they're really trying their best to connect people</p>

Home Lisbon Hostel

<p>Super Friendly Staff Big bathrooms Mammass Dinner Very good breakfast</p>
<p>(neg) Families: this is not a family friendly place in terms of facilities. This place is best suited for solo travelers and small group of friends. (Not necessary a con but a heads up for those who are on budget)Breakfast: Is not included in your stay, is something that you pay extra. Fear not is only \$2 Euros. :) Pub crawls: this is a tricky one. I know they mentioned is 4 free drinks which are spread on to the four places that you will be visiting during the pub crawl plus the free beer that you get at the bar at the hostel before you go. The 4 free drinks</p>

have a catch, on the first place I went to I did get the free drink and then bought my other drink afterwards now on the next two places as I did not go through the entire crawl if I wanted to get my free drink I had to purchase a drink first. Notice, the free drinks are actually shots and not drinks. Also, the pub crawls are in smoker friendly heaven. if you are asthmatic and have respiratory conditions or are not use to second hand smoke please do yourself a favor and avoid them, otherwise you will regret it. I do not know if Portugal is smoker friendly at bars but the pubs I went with the group were. So consider yourself warned. A side note: I actually paid for my beer and I did not know the beer was free if I signed up for the pub crawl. You only get one beer free. Luckily one of the guys after he found that I paid for my beer he informed me that I was not supposed to be charged for the beer so he gave another one for free. HEADS UP TO VEGETARIANS, VEGANS AND PEOPLE WITH SPECIFIC FOOD ALLERGIES: Vegetarians and Vegans" You will not know what is in the menu until around 6:00 PM which is around the cut off time to write your name on the list. Otherwise if you are non-vegetarian you will know what is for dinner right up in the morning. (pos) Andre(the Brazilian) Fabio V. and Fabio L were great. I was not able to grasp the name of the Chilean woman due to how loud the place was when we were introduced who was in the pub crawl team she was very friendly and lively. Gonçalo good travel guide to Sintra and excellent person to hang out with and have a great conversation with. Although, I did not directly have conversation with, I did hear him with his conversations with the other folks in the group. The only reason why I did not have a direct conversation with him is because he is a joker and I am a serious person. So you can imagine the scene, me having a mental puzzle where I am wondering if he is joking or if he is serious. Why? Because he can tell you with a serious tone and face a joke, and while laughing something serious. Therefore, in order to avoid awkwardness which I know I am good at I decided not have conversation with him. I really wish him the best on his next travel trip! I did had a great time in Sintra. Me being a bit curious with the food and wanting to check local restaurants for both lunch and dinner forced me to only have Mama's dinner only once and it was on my last night. The area where this hostel is located in is surrounded with good restaurants. By that, I do not mean the restaurants with the white umbrella ones in R. São Nicolau. The only exception is the one next to the hostel which has great smoothies. I regret not meeting Mama but that will be on my next visit to Lisbon and on my next stay as I was not able to see everything in Lisbon as I wanted to take things slowly during my visit. Although, I did see her from the distance along with the two owners. The bunk beds, had their own light with outlet, and they were sturdy enough and well constructed. My only pet peeve was the shelf in which the outlet was located in it was not wide enough to have a small water bottle. But, this is just a pet peeve from me.

(neg) O colchão afunda a no meio, o dormitório estava pouco limpo bastante por culpa dos utilizadores. Precisa vidros duplos nas janelas, o exterior é ruidoso. Toalhas são pagas à parte por preço elevado

(pos) O ambiente geral é simpático e os funcionários são muito prestáveis

(neg) Due to their extension works the elevator was often blocked and had to climb four floors.

(pos) Definitely one of the best hostels of the world. Well trained efficient friendly staff. Comfortable beds with phone charging plugs etc. The meals were tasty and extremely good value !

(pos) Daytrips organised by the hostel were awesome! In particular the daytrip to Obidos was something special and Francisco was a great guide!!! He showed us also the local and typical side of that region.. Definetely it's worth it

(neg) A man dressed as a woman serving during dinners (probably it's just my personal)

(pos) The hostel definitely has a special atmosphere :-)) Walking tours are organized from hostel by the guide Morrison - really good walking tour (Regards to Morrison from Tatiana). What else is perfect - Mama's dinner every evening :-)) If at the beginning you may feel a bit reserved but after a couple of dinners you start to enjoy communicating, socializing and get to know other people.

The location could not be better. As soon as you walk outside you're in the middle of a great art and restaurant scene. The bathroom and shower were both new and clean and well maintained. (neg) There is nothing you can be dissapointed with :) (pos) This hostel is much better than any other hotel, hostel, guest house, whatever! I really enjoyed every day that i spent there - its clean, cozy, amazing place with unbelievable kind and friendly personal. The bedroom, shower, restrooms are clean and comfortable. You really feel like you are at home, not in a hostel. Its located in the center of the city, not far from lots of TA, metro/tram stations. Great!
(neg) Dorm bed frames were very creaky and unstable, floorboards were squeaky and moved everytime someone walked across the room... Generally very low lighting in the hostel. (pos) Staff were awesome! Mama's dinner was a great way to meet others as well. Hostel was well-located in the Baixa-Chiado district.
(neg) Beds were comfortable but this didn't do anything to the fact that the room was very noisy! Everytime someone would open their bed drawer, every bed would start rocking and it made a loud noise. The room was very small, so if you were getting something out of your drawer and someone came into the room you always had to put everything in again, close it and let the person pass. Old wooden floors which also make lots of noise. Also talked to some other travellers which had the same impression. Mamma's dinner was delicious, but way to packed with people and it gets very loud in that room so in the end everyone is almost shouting. The kitchen they have is big and nice but you can't really use it, as it's usually being used to prepare the dinner the hostel offers (they start quite early during the day). (pos) Location couldn't be better. The hostel is located in an beautiful old building. Common room areas (living room with cozy couches + huge flatscreen with Netflix; dining room with tables + bar; seperated dining room if you want to eat in a quieter atmosphere; extra Internet room with two very nice computers) were very nice! Staff was helpfull and friendly, especially liked Emerson (I don't think that's how his name is spelled haha sorry!) and the Brazilian guy who works there. Breakfast is very nice for the price you pay
(neg) nothing. It was amazing! (pos) I was impressed the moment I walked through the main entrance. The bar and dining area was quaint and I was greeted by a very pleasant and friendly man. I was at 4 other hostels before this one and the staff here were by far the best. They serve dinner by Mama (the owner) every night and it was fantastic. It was a great way to meet other travelers and the atmosphere was not like any other hostel I have ever stayed at. The bar is bumping at night. The location is great, right by the Arch and Baixa-Chiado station, restaurants/bars, stores, etc..
The staff was so welcoming. The hostel had great communal space to hang out and talk with other travelers. The bar was great and so was breakfast.
Excellent staff. Relaxed atmosphere. Perfect for solo travellers- cooked dinner at night (with free wine!) made it so easy to make new friends.
(neg) Totally spotless, super friendly, great food!! (pos) Faultless property I would recommend to everyone!!

Melhor Hostel onde já fiquei , muito bem localizado, pessoal super simpatico. Excelente decoração e Optimo Pequeno Almoço Muito Obrigado
(neg) O café da manha poderia estar incluso na diária. (pos) O cafe da manha é muito bom, apesar de ser pago a parte, 2 euros. O staff é ótimo e a localização é muito boa. O ambiente é bem descontraído. Recomendo a todos e com certeza me hospedarei novamente no hostel.
(neg) The beds were really noisy when moving in them or opening under bed storage so I felt bad every time I did, there was a sofa in the hallway where people gathered at night waking me up at random hours from the noise as the rooms weren't soundproof, it wasn't clear what the vegetarian food options were, breakfast could be improved, the hostel was located on the same street as restaurants/bars that would stop tourists to tempt them into their place so there's a lot of that when walking to/from the hostel. (pos) The hostel staff were all very friendly, the hostel was clean, the bedding was comfortable, curtains on the bottom beds were good for added privacy, had a small terrace off the kitchen perfect for sitting whilst food is cooking, breakfast is not included in the price so you only pay for breakfast if you like what you see in the morning, cheap drinks at the bar, large table to sit at in the main room is great for meeting new people.
It was the best hostel experience 😊

De tudo!!!! Perfeito! Quando vc abre a porta do prédio onde está o hostel já consegue sentir um cheirinho de limpeza ótimo! Staff atencioso, sempre pronto a ajudar e indicar caminhos e atrações. O Hostel é muito seguro pois ao fazer o check-in eles te entregam uma pulseira-chip em que vc consegue acessar as dependências do hostel e o seu quarto, ou seja, só entra no quarto as pessoas que estão dormindo lá. Adorei este sistema!! Além disso eles guardam as suas malas grandes em local seguro e não cobram nada por isso. No quarto você tem uma gaveta enorme (grande mesmo) e pode deixar tudo fechado com o seu próprio cadeado. Achei o quarto extremamente silencioso. Fiquei em frente ao banheiro e não consegui ouvir nenhum barulho externo (vindo dos banheiros ou da rua) A quantidade de banheiros é suficiente e estão sempre limpos. As duchas são excelentes! O quarto é aconchegante, camas e roupas de cama muito confortáveis. O café da manhã super compensa (2€). A localização é excelente!!! Eu fui sabendo que era bom (pois li diversas avaliações), mas realmente foi ainda melhor do que eu pensava! Recomendo 100%

Rooms were small (as in, few beds), secure, comfortable, private, away from the bar and the noise. View was great. The staff and the first welcome I got was extremely friendly and helpful. The living room was extremely comfortable and quiet even being right next to the bar. The bar, in the evening, had a family breakfast followed with socialising and drinks. Had this friendly club vibe with people hanging around 'til early morning. Location is just in the middle of everything. "Exceptional" is an understatement. Best hostel I have stayed in, period. Will definitely go again.
I loved the "vibe" of the hostel- I arrived and was instantly relaxed. The location was amazing, the staff was accommodating and friendly, and the other guests at the hostel were welcoming and fun.
My stay at Home Lisbon Hostel couldn't have been better! The staff was incredible - welcoming and so friendly, I couldn't have asked for more. The hostel environment is extremely cozy and as a solo traveler it was really easy to meet people and feel like a part of the community. Location was also superb. I took the day trip to Sintra which was great, Mamma's dinner is an excellent experience, and the 2 Euro breakfast is all you can eat and delicious. This hostel is really more of a community than anything - I would come back in a heartbeat and recommend to everyone!

Nice hostel in a very good location. Beds are comfortable, the staff is really nice. The staff here is great. Very welcoming and helpful. Even if I mixed up my reservation and should be bedless for a night, they put me in the staff room. Also, you have to try Mamma's dinner. It's not only about food. (pos) all the staffs was great
(neg) Out of their control, but with hostels and shared living quarters, sometimes you're going to get the noisy and inconsiderate types who you're going to have to share living quarters with. I did complain to the staff and they did attempt to quell things, but the group seemed to have played dumb and fell asleep before they could get reprimanded. Just be warned that this will be an issue whenever you have to share living quarters with others. (pos) The staff is amazingly friendly when you first enter and are open to helping you explore the area and take advantage of all the cheap yet value offerings the hostel has, such as dinner, walking tours, and longer guided tours. The facilities were clean and the bathrooms were especially tidy and spacious. The entire place really does want to feel like "home" for an individual and I agree.
(neg) The bed was a bit hard but everything else made up for it. (pos) This must be The best hostel I stayed at. The hostel team was so friendly and welcoming. This was the first time I was showed around in a hostel. I loved the Mamas dinner it was delicious Portuguese food and it was such a social atmosphere. I will definitely come back.

O hostel é simplesmente sensacional. Eu nunca vi uma equipe tão receptiva e hospitaleira como neste hostel. Você realmente se sente em casa. Além disso, tem um ótima localização, próximo de tudo. Vale muito a pena, um excelente custo benefício. A vibe do hostel é muito legal, ótimo lugar para fazer novos amigos.
No complaints! Only tip I'd offer is to make sure you have cash for your key and towel deposit (5Euros each) as they don't take card for these.
The staff here are amazing!! Really friendly and welcoming and made me - a solo traveller - feel at home. They had lots of tips for how to maximise the limited time i had and were genuinely interested in chatting to guests. Tip: do the Mama's dinner which is on most nights.

I arrived partway through so missed out but it's a 3-course meal cooked by the owner and everyone sits together, a great way to meet people! The bar is very sociable too. The hostel runs tours etc so look out for those. Rooms were fine, good for hostel rooms and facilities were what I'd expect.

(neg) I have never before written a bad review, but now I just have to. I checked in „Home Lisbon Hostel“ around midnight. When I came in the assigned room I realized someone else is sleeping in my bed, so I took the only other available bed in the room. The next day I informed the staff about the situation. However, after I came back from the city, all of my things from my bed were gone. What happened is that the guy from the reception desk did not inform anyone about me changing the bed and they cleaned it up. They returned my belongings after I made a complaint. But this is a misunderstanding and it can happen to anyone. However, what is UNACCEPTABLE and the reason I am writing this complaint is that 30 min after resolving the situation at the front desk and getting my stuff back, the manager of the hostel came into my room with the same guy from the reception desk. This guy was now obviously lying that I have never spoken to him about switching the bed. To my surprise the manager strongly took the side of his employee, did not want to hear my side of the story and has started BULLYING me and attacking me verbally how it is my fault, yelling that I am a liar and that I am making everything up. He even threatened me with calling the POLICE. I have never in my life felt so UNCOMFORTABLE. Since it was late in the evening, I stayed for the night in the hostel and checked out the next day. I will never return to „Home Lisbon Hostel“ again.

(neg) I didn't like the toilets/shower area, which come in complete contrast with the rest of quality in the hostel. Although comfortable and clean, the separators are some thin wooden structures, like on a beach, which show lack of privacy. You can hear/feel everything is happening around you like you are in the same room. (pos) The best place to meet people. The dinners every night is a great way to meet people. Mama say goodbye everyday to people who leave. It feels like a summer camp, where you have breakfast, then go for daily sightseeing, and come back to dine with the rest of your new friends Breakfast also good value for price. Rooms comfortable, good wifi. Smart door opening system. Everything regularly cleaned. The crew seem to like their job
(neg) The dorm room was a bit dim, my roommates agreed a brighter light would have been helpful at times. I also didn't like the bracelet as a room key, as it was too large for me to wear. (pos) Great location, an incredibly friendly welcome from staff every time I entered the reception area. They were happy to provide advice if asked. Mama's dinner is a must, great value and a great way to meet your fellow travelers and get tips for your next day. Breakfast is basic but good value for EUR2. Bed was comfortable and the curtains were good for privacy.
O hostel é muito bem localizado. Banheiros excelentes, sempre limpos e muito espaçosos, os quartos são muito bons, com gavetões que comportam muita bagagem. A equipe é super amigável e disponível pra ajudar sempre. Foi a melhor experiência em hostel que já tive!

(neg) My bed was so uncomfortable that it kept me awake at night. (pos) You will make friends here! There is a lot of camaraderie in the common spaces and I think it has a lot to do with Mama's delicious dinners that she cooks every night. This place is so warm and inviting. The tours that they offer are also awesome! I highly recommend the Sintra tour with Joao! He was so fun and took us to some really cool spots away from the touristy areas.

(neg) As torneiras dos banheiro poderiam ter aquecedor. São sempre agua fria. O espaço para refeição é um pouco apertado. mas no geral, isso não é problema pra quem quer um bom hostel em Lisboa. (pos) O Hostel tem um ambiente super agradável, aconchegante e jovial. A equipe é extremamente atenciosa e solidária. Os banheiros são limpos regularmente. O café da manhã é satisfatório, porém com um custo de 2 euros. Vale a pena. As noites, o jantar oferecido é muito legal, contando com a presença da Mama, proprietária do hostel. A recepção sempre funcionando. E se vc quiser, pode deixar malas caso necessite ir a outra cidade e voltar. A localização é excelente.

(neg) If there must be a comment..... I'll say the shower booth is kinda small. The clothing I hanged up on the hook got little bit wet but didn't matter at all. (pos) I'm not that generous with ratings and I do think criticism is necessary for improvements, but I do wish nothing changes here in this hostel. I'll skip the cleanliness and the facilities part because it much better than the photos and the there is a drawer that you can fit in a whole suit case in opened. Mama and the staffs there where beyond welcoming. Had drinks and parties with the coolest people I can stumble into, amazing dinner and breakfast. Fun morning walking tour and Sintra tours. Can get to almost anywhere by foot. I can go on forever actually so to wrap it up. You're wasting your time looking at this right now. Believe me and just book. I had another friend that stayed in a different hostel that had perfect ratings but he almost always hanged out at my hostel. Thank you for the great time Home Lisbon. It really felt like home and didn't want to leave. I'll come back for the Sardines!

The staff is genuine, helpful and amazing, very cosy common area, excellent location, great cleanliness, hot shower with privacy, and the women's dorm, toilets and shower area are excellent. Plenty of space for you to store your luggage in the room, towels provided, fully equipped kitchen, and good quality breakfast is available at the cost of only €2. The heating in a mixed dorm was not working one night. I requested the staff the next day to have a look at it and not only they immediately fixed the problem but I also got an extra duvet for the night, just in case! They will always go an extra mile to make your stay comfortable. The hostel really lives up to its name! Thank you for making my stay so comfortable and hassle-free

Overall, I had a fantastic visit to Lisbon and this hostel certainly added to the experience. The hospitality, accommodations, staff, check-in, facilities, and location are exceptional. Stayed as a solo traveler and particularly enjoyed the dinners and trips arranged by HLH. Francisco was our tour guide for his hometown of Sintra, and had a fun day seeing the sites and meeting fellow travelers. I can't recommend this place enough!!!
(neg) Location was fantastic, and very easy to find. (pos) Staff was incredible, best hostel experience in my travelling life (15 yrs)
(neg) Check-in took quite long, as there was a very detailed introduction given to everyone, no matter how many other guests were waiting to be checked in (pos) Nice atmosphere, bar, they organize events and tours for guests to join, great location
The staff was so nice, Mamma's dinners were delicious, and feeling at home. Every little detail has been taken care of for us to have a great stay.

(neg) Nothing really. Well, maybe would be nice if more people showered before coming to sleep in the dorms ;-) (pos) Best hostel we stayed in Portugal. Wonderful staff, good evening cooked meal at a reasonable price. Excellent layout of the common areas with many comfy rooms to choose from whether one wants noisy, social interaction or retreat to a more quiet space for reading or chatting with friends. The hostel is perfectly located in the heart of Lisbon and a few hundred meters from the Baixa-Chiado metro/subway station. Overall, an excellent experience.

Very centralized in city area. Walking distance from metro station. Staffs were awesome treating you like a family member. Mum's dinner was homely. This is the best hostel I have been. Said by all my roommates and the ones I met for dinner. Very homely feeling and it's never like home Lisbon. They had laundry services. Welcome drink.
This hostel was worth all the hype. The staff was very helpful and flexible and we felt they genuinely wanted to do everything they could for us to have a nice stay.

(neg) The upper bunk is a bit too close to lower bunk, which makes a bit difficult for people in lower bunk to sit straight. (pos) The location is close to metro and bus stops. The shower space, toilet and sink are put together in one room, which is way much more convenient! It provides a lot of information about things to do in Lisbon.
Perfect in every aspect. Very close to 'Marques de Pombal' metro station and 15 minute walking distance to Rossio station. The rooms are quite nice and clean. Ah and the staff is really helpful. I'd stay there once again. Totally recommended.

O pessoal é muito simpático e prestativo
(neg) Poderia ter um horário mais "rígido" de limitação de ruído noturno para os hóspedes. As deslocações noturnas e conversas nos corredores foram uma constante durante toda a noite. O isolamento sonoro entre quartos e corredores é muito leve o que criou dificuldades de descanso, tanto durante a noite, como logo de manhãzinha, bem cedo, com os hóspedes a arrastarem malas e a falarem muito alto, enquanto preparavam

a sua saída. Apesar de tudo, é um bom hostel para jovens que se querem divertir, mas não para quem só deseja mesmo passar uma noite descansada. (pos) Simpatia dos funcionários, localização, pequeno almoço.

Tudo era perfeito. Café da manhã sempre tinha as panquecas deliciosas. A noite sempre tinha uma sopa que a dona Odete fazia com muito gosto.

Tem poucos chuveiros, então conte com filas para tomar banho de manhã ou a noite. Hostel bem organizado, com um staff bem preparado e atencioso. Todos os dias tem café da manhã e uma sopa a noite. Os quartos são bem limpos, tem computadores para acesso à internet, TV e um projetor para assistir filmes (noites de cinema) e máquinas de lavar roupa. O hostel fica próximo à estação do metrô Marques do Pombal.
Atenção da proprietária
(neg) shower room is a little small. (pos) Rooms were comfy and colorful. The staffs are friendly and ever ready to assist any enquiries. We had a minor issue regarding our room, but the staff (I can't recall his name!) was attentive and open to listening to us. They serve freshly made delicious pancakes for breakfast, free soup and sandwich in the evenings too. Really nice as that's the time you meet other travelers too. They have daily activities, and a PlayStation/game room which was cool. Wifi was good. Overall a good and affordable place to stay:)

A receptividade das pessoas foi sensacional e a disponibilidade para ajudar também. Fizeram nos sentir em casa.
Minha mãe necessitou de ajuda médica e além de chamarem uma ambulância, ainda se preocuparam com ela pelo resto do dia, dando muito suporte a nós. Funcionários muito simpáticos e prestativos. Café da manhã muito bom, e também ofereciam sanduíches e sopas à tarde.
Apesar de ter ficado no hostel somente um dia, achei Excelente! Ótimo atendimento, muito receptivos, ambiente muito agradável e além de uma privilegiada localização. Assim que possível voltarei!
(neg) Unfortunately there is no room in the hostel where you can be a little louder after midnight. If you want to drink you have to go to a bar nearby.... (pos) The staff is great! They offer special activities every day, cook soup for everyone and show you the best places in the city
First time staying in a hostel and it was way beyond my expectations. The staff are really helpful and super friendly. If am gonna visit Lisbon again, I know where to stay

(neg) wide choices for free breakfast but not very high quality...the jams are bit chemical. (we don't like their flavour and smell)

(pos) the bed is very comfortable and facilities are very handy. they keep the kitchen, bathroom and all very clean and new. love very much that there are food/soup in the evening for free. very cozy.

(neg) Typical portugese breakfast, everything is sweet - not a bad thing, just noticed :) We were in march and room heating wasn't the best, but the staff gave us some electronic heater. Sometimes noisy at evenings, you can hear everything from the corridor. BUT, these are not actual bad things, just mentioned it, we enjoyed staying there and would go next time for sure, recommended!! :)

(pos) Very kind staff, they have a lot of things to offer - good breakfast with pancake, free sandwiches and soup at evenings, several programs like movie night, sangria night, walking tours...Location is near to the metro.

Everything I didn't want to leave I felt very at home. Amazing value for money and a great experience. I travelled alone but everyone was so helpful and welcoming

The staff is very helpful and courteous. They are proactive with suggestions and make the guests very comfortable. The hostel has a daily schedule of events they have such as sangria for 1 euro, movie nights, milkshake Mondays and what not so if you don't feel like stepping out to party you can still have a fun evening.

Loved it all.

(neg) There aren't restaurants or food shops nearby except for a small supermarket one street away. I wish the kitchen could be opened earlier as some of us are early risers. Dislike the holder for shampoo etc in room 213. Everything keeps on falling out & the shower head is easily adjustable for shorter people.

(pos) Very clean, comfortable mattress & pillow, warm quilt which is great for the cold days & nights, good service at reception, free soup & pancake, bathroom & toilet inside for 4-bedded female dorm, strong hot showers, good lighting in dorm, quiet except for happy noise in the kitchen & dining room, good value walking tours, a good variety of food & beverages for breakfast.

Pos - organização e higiene

(neg) The cards to open the door sometimes did not work immediately. We had to try 2-3 times. Also for two guests, two cards would be optimal.

(pos) Very friendly stuff and very welcoming atmosphere. Very clean. Great location. Well, just everything you'd need was there. The hostel is nicely decorated with maps of Lisbon and other destinations.

(neg) The location is a bit out of the 'real' center (districts like Alfama, Bairro Alto), it's a 20 min walk to Rossio. However, they are very close to a metro station and bus stops, so this doesn't have to be a problem. Plus there are restaurants close by

(pos) Beds were comfortable, actually one of the reasons why I chose this hostel (have you seen the stairs leading up there??). Breakfast was perfect, every morning a very nice lady bakes fresh pancakes and other than that, they have nice breads, fruit etc. (way better than other breakfasts I've had at hostels) To top it off, they serve soup every night

- which was especially nice since the weather was really bad and in this way, I didn't have to go out anymore at night to hunt for food
All good, nice, clean, sociable

Very clean and breakfast with pancakes was amazing. The staff couldn't be more helpful and friendly. They had lots to do and I loved staying there. Beds were comfy and bathroom was really clean too.
(neg) A internet wi fi, por vezes, desconectava ou perdia sinal. Não era sempre que acontecia e, quando ocorria, logo voltava ao normal. (pos) A localização é perfeita. A poucos passos do metrô e bus na praça Marques de Pombal. As acomodações e cômodos do hostel são ótimos. Cama bem confortável. Os banheiros estavam sempre limpos. As áreas em comum são legais, com mini cinema. Gostei muito do atendimento de toda a equipe do hostel, a começar pela proprietária mesmo que sempre conversava, fazia sopas à noite, lanches. Pela manhã há um café da manhã, o que não esperava que tivesse. Então mais um ponto positivo.

The mattress was too firm for me. Plus I am not used to hostels. It was one night experience. I enjoyed the day but it felt awkward for me to share the room and toilet. It was a hassle for me to find the hostel within the train station building but my friends found it immediately!!

The common hub where you can lay down, meet other travellers and have activities. Also, the hostel provides excellent city tours. I have booked Fado Night with them and it was one of the best memories of my trip to Portugal. Great tour guide, Anna. It was history, art and culture informative tour. The tour included a local meal cooked by a Portuguese chef, it was extraordinary cod fish casserole. They also offers super clean shared toilet and showers before and after your stay with them!! They are located in train station to Sintra, what a convenient!! And had Starbucks right down the stairs Upon check out, I forgot my charger and they kept it for me

<p>(neg) Sometimes I wished I could get some fresh air in the dorm room I was sleeping in. But they cannot open the windows because of the AC and because it's a national monument (not really sure why). They do let in fresh air in regular intervals though, so that's ok. (pos) While being open 24 hours, there is a clear daytime/nighttime procedure where the lights are dimmed. Some subtle changes to nudge everyone into the appropriate behavior to make it pleasant for all guests. And they are always trying to improve the place. While I was there they changed the kitchen, started building up a bar and did some other stuff.</p>
<p>(neg) Wifi was a bit slow, not enough power outlets in the huge common area, cleaning staff was sometimes noisy when cleaning the rooms, chatting or while making the beds, they should be aware of the people sleeping. You may wanna get rid of the mould growing around the edges of the shower glass in the showers and renew some of your kitchen pans and pots. (pos) Almost everything, starting by the location, right inside Rossio station, super handy, the bathroom areas very nice, plenty of space and clean, plenty of space and different areas, sinks with mirrors and towels so people can brush teeth, put on make up or whatever. Staff was very friendly, Luis was great, very helpful and the guy working at night (I don't know his name but he is Angolan/Portuguese), he offered me food while I was up late working on my laptop. They give so many free things that I wonder how long will this be for, towels, maps, you can charge your phone, tea, coffee and juice all day and breakfast, which is pretty good considering that is free (continental with a few additions such as ham, fruits, yogurt, nutella...) Room was spacious, big locker that locks with your room card, comfortable bed, curtain, bedlight, power outlet. The common area is pretty nice, with plenty of options, places to sit or lay on and a very well equipped and large kitchen.</p>
<p>(neg) pillow was a little fat. (pos) Everything. Staff were fantastic. They never stopped working. Breakfast was lovely with fresh pancakes. Had dinner there second night. Great value and tasty. Hostel caters for all ages. Nice that lights go out at 11pm.</p>

Some of the showers also were not working properly. But maybe it was the excess of use from the guests: January when I first was there was full booked and really busy. (pos) It is location is great, right in the rossio station and close to everything. Great breakfast. This time I stayed in a single room with shared bathroom. It was nice, clean and spacious .
(neg) we loved our experience and would return again! (pos) the staff went out of their way to help us and they were all very friendly
(neg) The smell in ladies WC was not especially nice. Maybe more fresheners would help. (pos) I really liked common space with sofas, billiard, ping-pong tables, chess, hammocks, good music and a lot of plants. The kitchen was very good equipped and there was a breakfast included in the price (tasty pancakes!). The staff was absolutely friendly and helpful. In this hostel it was easy to meet new people and make new friends because you feel there like home, so I can recommend it to the people who travel alone. I enjoyed my stay there and for sure I will come back there if I'll be in Lisbon again. Thank you for making this place so great to stay in :)
Melhor hostel que já fiquei! Equipe maravilhosa. Localização perfeita! Ótimo quarto. Voltaria a me hospedar com certeza!!!
Tudo no Hostel era bom! Os funcionários são muito bons, sempre divertidos e solícitos. O quarto é muito bom. A localização é perfeita, com uma estação de trem e metrô ao lado, além de ser perto dos principais pontos turísticos. Vale muito a pena!

(neg) everything was excellent (pos) The hostel is really beautiful, well located, clean and nicely decorated. Everyone is really nice and the rooms are excellent. This is the best hostel I know in Lisbon! Plus, if you wish to stay there a little bit longer you can add 5 euros and the check out is at 13.00
Fui super bem recebida pelo staff, muito simpáticos e prestáveis, espaço comum super agradável e confortável, localizado no centro de Lisboa, o que ajuda muito.
(pos) Adorei todo o designer do ambiente! O quarto que fiquei era ótimo com amplo espaço e conforto ate mesmo com teto solar !
(neg) Bathroom smelt pretty musty. Also random mystery light came on in room for hour in middle of the night? (pos) Brilliant location and staff friendly. Free breakfast was reasonable and hostel has cool design.
(neg) The air conditioner during the night was too strong to fall asleep, and there was no switch in the room to control it. (pos) Every staff was very enthusiastic and friendly. There were many kinds of activities every day. Even you travel alone, you can find something to do with a group of people. The location was perfect.

Café da manhã muito bom, funcionários muitos prestativos e educados, banheiros limpos e confortáveis, decoração do hostel muito legal, ótima localização

Free breakfast was excellent. The team at reception were sooooo helpful and kind. Went to the fado night which was led by Ana and she was so informed and engaging, food was excellent that night also. Also loved there were plugs by even the top bunks, lights, fans and a great privacy with the curtain. Everything was really excellent for the price and in general just a very cool place to stay!

(neg) nada a escrever nesse quesito, pois foi muito bom.

(pos) A equipe é muito atenciosa e disponível. Reservamos um quarto de casal privativo com banheiro privativo. Tudo muito limpo e organizado. O quarto tinha frigobar, além das geladeiras disponíveis na cozinha. A localização é excepcional. Bom café da manhã.

(neg) It was perfect. Relaxing. refreshing and to be recommended to everyone including the "not so young! travellers like myself!

(pos) The staff were very friendly and helpful. The breakfast was healthy (fruit and veg. juice. choice of bread, pancakes and excellent coffee). The bed was clean and comfy and well equipped with little curtain for privacy, box to put your essentials and little light as well as a separate locker for each guest. I like that they recycle and give you the option to reduce your carbon footprint by having timers on some of the showers and recycled toilet paper. Also being able to store your bags in their lock up cupboard for free after checking out was a huge help.

(neg) o café da manhã não era bom, além do fato de ter que lavar os pratos após a refeição. Nunca mais!

(pos) as instalações eram ótimas pois o hostel era novinho. A localização perfeita em pleno Rossio, vizinho à estação para Sintra.

(neg) The mattress had a few lumps in and the room was rather stuffy. The ceiling fan made little difference and opening up the window didn't seem to help much. Breakfast is standard... bread, cheese, but they do do pancakes, if that is what you like. I think some bacon and eggs would really make this special.

(pos) The hostel is just beautiful and I liked the ambiance of the place, so relaxing with nice music and very light. The staff were so welcoming and helpful especially Hugo who helped me with my breakfast needs. The location is perfect at the Rossio Station, very central. I was pleasantly surprised that I didn't hear any train noise, considering it is in the station. I highly recommend it. Good value for money. I suggest getting an 'uber' to/from the airport... so cheap and easy! Or the train is fine too, just have to change once.

Tudo foi ótimo, o ambiente, a localização, o atendimento. Hostel excelente

Excelente localização, staff muito eficiente e educado, ótimo custo benefício.

(neg) Foi a primeira vez que peguei a estação de inverno e dessa vez senti muito frio no quarto. Acredito que podem melhorar a questão da calefação.

(pos) Não é a primeira vez que fico hospedada nesse hostel, o staff em geral é bem acolhedor e simpático. A localização não poderia ser melhor, o quarto é confortável e o café da manhã é decente. Sempre indico e gosto de me hospedar por lá quando volto a Lisboa.

(neg) Shower room is too small and leaking. No heater.

(pos) Location is GOOD! Breakfast is acceptable. Staff is friendly.

(neg) There is only one small disadvantage that I can think of, that is, the fact that the window in my room did not overlook the outside of the building (it overlooked the common area only) so there was no way to air the room with fresh air.

(pos) The hostel is located in the centre of Lisbon and at the same time it is good value for money. Personnel is really friendly and willing to help you with stuff like getting around the city, finding the nearest post office, bus stop etc. Breakfasts, especially pancakes, are delicious! And if you want to relax after a whole day of sightseeing, you can play table tennis, billiard, chess... in the common area. 24/7 access to a very well-equipped kitchen (pans, pots, plates...) is a great thing! A bottle of wine and some snacks - the welcome gift - were really nice. :)

(neg) O banheiro poderia ser mais fechado para tomar banho, quando você sai do box para trocar de roupa sente um vento gelado. (pos) O staff é o melhor que existe! Melhor experiencia de hostel que tive até hoje! Gostaria de morar la, a atmosfera é incrível. Lugar perfeito para conhecer gente do mundo todo e se você quer fazer boas amizades. O pubcrawl foi o melhor que ja fui até hoje. Com certeza voltaria.
(neg) When you wanted to have dinner at the hostel you had to pay it in cash (9eur) (pos) The view from my room was amazing. The location is great and the staff was very kind. When you wanted to know something they were always ready to help. Some of the showers had a timer what was something great. If needed you also could rent a towel for free. The lockers in the bedroom were so big! Really nice. My big suitcase, backpack and even more was in there. The diner I had was very tastfull!

(neg) This is a hostel, not a hotel. A bit noisy. Meant for overnight stays by young adults. Older people may prefer to stay elsewhere. (pos) Great location. Right in the Rossario train station. Clean.
(neg) The room was pretty small, but since we were intended to use it to sleep only, that was ok. The only real problem is lack of wall sockets in that triple room. In my case, the one was just above my pillow, and I was unable to use it because my charger's wires would lay on my head. (pos) The hostel is very good. Absolutely boss location in the heart of the city (right at Rossio railway station), pretty clean and the staff were very hospitable and attentive. We had good chats with them. Breakfast is good as well.
(pos) comfy, clean, secure
(neg) I'm not sure maybe it's a season thing but the water in private bathroom was really weak, sometimes it was faster to go to the public shower and back. (pos) Excellent location and a lot of thanks to the staff, all of them are very nice and helpful. LDH has typical hostel rooms but the main thing is a huge space as a hall/lobby/dining room where you can meet other people or just spend your own time. Everything is clean there is nothing to talk about. And thing I haven't seen in other hostels is a tourist programs and tours and some of them are for free. Didn't have much time to visit all of them but I strongly recommend the Street Art tour and Sintra/Capo da Roca tour. It worths it's money 110%. Thanks LDH! Vejo você de novo!
(neg) How water in bath (pos) Location Perfect location!
(neg) Banheiro coletivo, nem sempre totalmente limpo. (pos) Muito bem localizado e sem barulhos externos.

Hostel excelente! A localização na estação de trem do Rossio é ótima, está perto do centro turístico e de vários tipos de transporte público, além de ser, por si só, um local lindo. O hostel em si é também muito confortável, o quarto feminino para 6 pessoas era grande e espaçoso, com camas confortáveis e com cortinas, o que nos dá um pouco de privacidade (além da luz e tomada pra cada cama, o que eu acho essencial num hostel). A área comum é super acolhedora, com vários sofás pra sentar; e o banheiro, mesmo que compartilhado, é espaçoso e muito limpo. A equipe foi super simpática e minha estadia foi ótima! Mesmo viajando sozinha, me senti muito bem acolhida. Me hospedaria novamente, com certeza!

what a nice hostel with super charming staff, good bf with fresh made pancakes and 6 different coffees - booked a very clean double room and enjoyed chilling in the super large lobby
(neg) 10 bed dorm only had 1 sink, 1 toilet, and 1 shower attached which seemed a little crowded. I usually used the main area bathroom which had a much better toilet. (pos) Breakfast was great. Staff member made perfect pancakes every time. Bed was more comfortable than most. Lounge area had plenty of comfortable seats. Location above train station was amazing.
(neg) Os chuveiros, o buraco no teto da casa de banho feminina e o cheiro a humidade no quarto. (pos) O rapaz que me acompanhou ao quarto foi simpático. Conheci dois outros hóspedes super simpáticos. Pequeno almoço com bastante escolha.
(neg) Hóspedes acordam cedo no quarto e fazem muito barulho, sacolas plásticas, zíperes e entrem e saem do quarto e batem à porta! (pos) Localização, perto de tudo. Funcionários atenciosos e prestativos

(neg) Some of the toilets, soap dispensers and shower drains were broken. Luckily there were plenty of those to go round. (pos) Very well organised and friendly staff, all with a free breakfast
(neg) Asian (mostly Korean) girls constantly packing and unpacking their bags, even at 6am!!! It's nothing to do with the hostel but I think maybe they should be reminded at the reception about European rules of respect towards others as it doesn't seem to be in their culture? (pos) It's great that even tho you take a dorm room you still get your privacy as the beds have sort of curtains around it :) Bathrooms are really clean and there is lots of showers so you don't have to wait for long to get your turn :) I also like the fact that there is a bar with happy hour (2 drinks for 5€) and lots of attractions/trips that you can use with a small fee. The staff is amazing too- especially Pedro and Sonia :) Will come back to this place!

(neg) i wish could stay longer (pos) wonderful breakfast
(pos) great staff, amazingly action, great breakfast, awesome vibe.
(Neg) Só há um toilette no banheiro, o que pode ser um problema. A decoração do hostel, principalmente na área de convivência, é um pouco exagerada e caótica, um espaço mais amplo, com menos móveis, enfeites e plantas tornari no ambiente mais receptivo e agradável. (pos) Localização perfeita! Ótima infraestrutura, equipe solícita, principalmente a Débora! O café da manhã é incrível, o melhor da viagem! Vários chuveiros disponíveis. Tomadas individuais e luz de leitura! Cortinas nas camas! Locker espaçoso e com cartão de segurança. Clima muito familiar e comunitário.

(neg) I just wish the room would be a little bit bigger. (pos) Great location, the hotel is located on the second floor of the train station!! Also breakfast is included. You can also play pool and pingpong in the lobby, which is quite big. There is also skylight in our room.

Muito bom
Café da Manhã excelente, banheiros sempre limpos, funcionários gentis e educados.. Realmente uma ótima experiência!
Perfeito para quem quer ser bem recebido. Minha nota é 1000
As cortinas dos banheiros podiam ser trocadas. Todas as pessoas que trabalham no Pilot são incríveis! Adorei a Rafa em especial que foi com quem mais falei. Tentou me ajudar com um passeio de turismo de vinho, me atendia em todas as solicitações e por fim fiquei triste em não poder me despedir dela. Pois quando saí não era o seu turno! Mas enfim, fiz outros amigos! Nunca fiquei em um hostel, esse foi o primeiro e foi uma ótima experiência. Com certeza, mudou o meu conceito de hospedagem!

Wi-fi did not work too good in the rooms, should be rather used in common area. Also, showers are fixed at the top, making it quite inconvenient to use for shorter people, or

rinse well your hair. There is common area with little bar and restaurant for guests - the choice is not so great, but prices are comparably cheap. Nice option to chill out and taste some local specialties after whole day of sightseeing, being too tired to go out in the city. Staff was nice and helpful, there are some events organised like walking tours and pub crawl (with additional fee)

Everything was perfect. The staff was super nice. We got a free welcome drink and really tasty breakfast (for 3€). We could recommend this place for sure!
At times the wifi didn't stretch to the top floor. Firstly the staff at Pilot were excellent- so friendly and helpful with everything we needed. The amount of perks with this hostel made it the perfect stay for our long weekend. There is a very social atmosphere and everyone is offered a free shot at 10pm and can try some of the free port and wine. In addition to this there is free tea, coffee and lemonade throughout the day. Really comfy and inviting hangout area that encouraged us to socialize with other travellers. The rooms themselves were great, one of the comfier hostel beds I've stayed in. I appreciated having a single bed also as opposed to a bunk. Everything was spaced out enough that we didn't feel like we were crowded with ten other people in the room. The facilities, i.e. bathrooms and showers were very clean and offered free toiletries. A perfect hostel

(neg) breakfast, (pos) staff
The cleanliness could be better, Also the shower / toilet room was not the best one. Maybe i start to be picky, but i have had some really nice hostel experiences before. Also my mistake not to read really well that it is a party hostel, it means that people are coming to sleep really late, so if you want to sleep, you will probably wake up middle of the night. Also i get the "upgrade" to the room, it meant going to the room with 8ppl and the beds was really near & the air was so tight at the room... the reason for the upgrade was because of lack of ppl in 12 beds dorm, what i actually noticed while booking, it was one of my reasons to try to get in to the room with not so many ppl :) Well the location was nice, if you are party ppl this i great hostel for you... Some really nice restaurants nearby and with budget traveling and also some more expensive ones. Really nice nightlife around the hostel. Price was nice :)
Highly recommend! This space is very well located, right in the heart of the city. It has fantastic facilities, open 24 hours a day. The staff is all spectacular, and always provides a very fun and cozy atmosphere. The communal areas are extraordinary to relax in, after a beautiful walk through the harbor town. The bar works all night long, with very good music and drinks are never lacking for everyone. And the food is wonderful and very cheap. I felt like I was at home. Thanks for everything...

(neg) Was a very social hostel, maybe aimed at younger/solo travellers which is great if that's what you're looking for but it wasn't for us. (pos) Very central. Clean and tidy. Choice of freshly prepared breakfasts. Communal areas are comfortable.
(pos) Travelers House is in central location with easy access to the Metro. The staff were friendly, helpful and efficient. The breakfast went above and beyond most hostel breakfasts. Everything was clean and tidy. Staff were engaging and available to answer questions and provide suggestions. Our room overlooked the plaza and was noisy during the day when the street was active, but at nightfall it became quiet.
(pos) This is a really great hostel - I was kind of hesitant about staying in one cos I'm old (well, 32) but there was a real mix of people here! (neg) Maybe a bit difficult to locate, i walked around it a couple of times as there was no visible signage. As was explained to us later, being a heritage building they were not allowed to advertise/ large signage. [P.s: It is opposite Millenniumbcp Bank] The room (we had chosen the private room with ensuite bathroom) was cleaned only after we requested it. As this was my first stay at a hostel ever am not too sure if this is the regular practice everywhere (pos) The location could not have been better, walking distance away from most places we wanted to go to. (neg) It is noisy and as I had read previous reviews, I was prepared with earplugs, although I could still hear a lot of noise, but at least it was muffled. (pos) The location of this hostel was perfect. Easy walking and lots of entertainment and restaurants and very close to the Metro. The breakfast was superb, with options including bacon, eggs and pancakes. Staff very helpful and friendly and it was spotlessly clean, everywhere. Beds comfy and spacious room. We had a 'twin' room.
(pos) The hostel totally exceeded our expectations. We had a private room with a shared bathroom and kitchen on the top floor. It felt like our own airbnb but with the added bonus of socialization with other guests. We had a great time and got lots of awesome recommendations from the people who worked there about things to do in Lisbon. 10/10 will go back!
(neg) I'm just getting older and realizing I've aged out of hostels. A bit too loud at night and I'm over shared bathrooms. If I was under 25, this place would have been perfect. Nothing against them! (pos) The hostel had a very welcoming environment and fantastic location. The free breakfast was a bonus too!
(pos) We stayed in the private room, with a queen bed and private bathroom - beautifully designed and surprisingly elegant room, with high ceilings and 2 windows that open out to Rua Augusta. This is a hostel on one of the main drags, so be realistic about your expectations around quietness. We prepared with packing ear plugs, knowing this, and it was mostly fine. All the other excellent bonuses with this hostel, like the high degree of cleanliness of our room and shared facilities, the kindness and professionalism of all staff, the beauty of the design, the well-thought out activities, the great breakfast, and the spot-on location close to many must-visit places in Lisbon, completely outweighs some noise on some nights. Come prepared and you will love it! Oh, and we recommend the Sintra/Cascais/Cabo da Roca Tour. Shout out to Nuno for a great tour! Can't wait to stay here again.

(pos) Well decorated and comfortable hostel. It felt like staying at a beautifully decorated house. The owner was friendly and accommodating.
(neg) No ambiente do banheiro não possui sistema de aquecimento, Não possui elevador, os travesseiros não eram tão confortáveis.
(pos) Café da manhã é muito saboroso (vc pode escolher uma entre 3 opções de comida), o staff é muito atencioso e solícito, a localização é muito boa, as áreas comuns são muito aconchegantes.

(neg) melhor, impossível!!!
(pos) O hostel é incrível, excelente atendimento, funcionários sempre prontos para esclarecer nossas duvidas. Todas as noites o hostel oferece a possibilidade de interagirmos com os outros hospedes, isso para mim, é importante, visto que eu viajo sozinha, e essa iniciativa cria a oportunidade de um convívio maior. Eu amei tudo, e recomendarei, e se houver oportunidade
(pos) tudo excelente! Atendimento, comodidade e localização
(neg) não ter banheiro privativo
(pos) café inclusivo e incrivelmente bom
(pos) It has much more to offer than a bed to sleep, they make special events depending on when you go, mine was a Portugal wines degustation, which got me to do some friends. Best hostel for people travelling alones, doing something together is the best way of knowing people and you do it at Travellers house
(neg) Lacks a bit of natural light and ventilation in rear lounge
(pos) In a pedestrianised street with the more Pleaaaaant sound of entertainera, and social hub hub
(neg) na realidade, nada...estava tudo excelente.
(pos) Os quartos eram muito simpáticos, com camas grandes ainda que camaratas... bastante espaço para arrumação. Precisei de peq. mais cedo e o staff foi incrível e muito simpático. Em relação à localização, melhor era impossível.
(pos) instalações ótimas, conforto, limpeza, funcionários atenciosos, localização.

fazer todas as noites eles tem uma programação para integrar as pessoas. Excelente principalmente para quem viaja sozinho.
(neg) At the time, only one shower on the floor I was staying on was usable as the other one made a loud schreeching sound. (pos) They made you breakfast every morning, and it was quick service, and there was always coffee and tea available.
(pos) good location for a tour and friendly mood
(pos) Muito bonito e super bem localizado, na principal rua de Lisboa. O café da manhã é fresco e delicioso, pois é preparado na hora. Muito confortável também e bem aquecido, essencial no inverno!

(neg) I don't think it is the hostels problem, but our room was really cold, again i think it is only because other people were shutting down the heater. (pos) I liked the fact you can have 3 different options of breakfast plates, and a nice woman will prepare them for you, I took the crêpes and i loved them! the staff is extra friendly and cool and also of course very helpful, i would come back for sure!
(pos) Café da manhã ótimo, com três opções. Os meninos que nos receberam no Hostel foram muito atenciosos, montaram roteiros para cada dia e nos deram várias dicas legais. O tour que eles fazem todos os dias a noite também é bastante interessante. Vale a pena ficar hospedado lá. A localização é ótima, você consegue fazer tudo a pé.
Excelente atendimento,ótima localização,todo o pessoal do staff muito eficiente e solícito,simpático prestativo,focamos contente e satisfeito,por isso recomendamos.
Feel like home, it's feel sweet.
(neg) To be *extremely* picky since I was blown away by this hostel: the pillows were a bit uncomfortable (I could always have asked for another but I simply folded it on itself which was fine) and I was on the top bunk in my room which could be a little awkward at times getting in and out of.
(pos) Very close to the Placa de Comercio and every place of interest was comfortably within walking distance. Hostel staff were very warm and welcoming and had an event every night to encourage guests to interact while showcasing the town with a tour of some kind, or a wine tasting. Breakfast was provided and soda/beer/ice tea was always available at a great price.
(pos) Atendimento, café da manhã, interação com os demais hospedes e staff, localização. Tudo incrível! Era noite de Natal e nem lembrava que estava em um hostel longe da família.
Nada a declarar

(pos) O quarto era ótimo, o banheiro era super limpo, assim como todo o espaço. O café da manhã era incrível e o staff não poderia ser melhor!
(neg) A rua do hostel é fechada para carros, ou seja, vc só consegue chegar lá à pé, o que é um inconveniente se estiver com muita bagagem. Além disso, não há elevador e o prédio tem 4 andares. Nada disso é avisado na página do booking, o que não me parece honesto. (pos) Localização próxima à estação de trem e metrô e próxima aos bairros turísticos de Alfama e Bairro Alto, além da própria região do hotel, que é o centro de Lisboa. Hostel bem equipado, com staff muito simpático e bem decorado.
(neg) O único "problema" é que as janelas do quarto não possuem boa vedação/ isolamento acústico, por isso, escutamos todos os barulhos da rua. (pos) Excelente localização. Fornecem bom café da manhã. Os banheiros sempre estavam limpos. Os funcionários são muito gentis.
(neg) Vey noisy - the room was on a very active pedestrian street with musicians, dancers, animations the whole day and night (until noon approximately). Not recommended if you look for a quiet place. (pos) Vey nice people working there, good atmosphere, it was veary pleasant to stay in the kitchen or the living room.

(neg) all good (pos) Awesome and welcoming Hostel! You can't visit Lagos without staying at Dream Lagos/Lagos 4u Hostel. It's the cherry on the pie. “An amazing hostel: accommodation is great, beds are comfortable, the place is new and clean. Bottom bunks have curtains - can block out lights while you sleep. Very welcoming and helpfull staff: Gonçalo and Rui are the best! The breakfast buffet has a good price-quality relation (2eur). There are night activities (dinner and pub crawl) and also a guided walking tour, which starts at 10:30 am and provides na excellent historical background on the city - I definitely recommend that. The location couldn't be better! Notes: Yo have to pay 5 euros as a deposit and 2 euros for the rental of towels. Don't Forget your locker. Excellent place!”

Tudo foi excelente. Equipe incrível, solícita e simpática. Camas grandes e confortáveis, cortininha e luz individual, banheiro bom e em boa quantidade. O café da manhã era 2 euros e com várias coisas pra comer à vontade. Eles também tinha um esquema de jantar completo por 10 euros com open bar que foi incrível. A localização também é sensacional (do lado da praça do comercio, rua augusta, etc).
(neg) Poor wifi inside of the room
(neg) Old building, bad adore for some spot (but they are always wipe the floor, this help lots) and additional pay for towel
(pos) Staff was great with service mind, well organized, free luggage deposit, free walking city tour and very nice budget trip to Sintra. The kitchen is perfect and hygiene but the common area always crowed . Clean floor and Bathroom. I feel like they are cleaning every 1 hour for bathroom and common room. I love the prepared bed.
(neg) Wifi didn't work well in the bedroom, bedroom door alarm (goes off when door is accidentally left open) was really annoying, no bench (or something) to put clothes/shoes when showering so they got wet on the floor, football on TV during the evening meals felt a little unsocial - think music would have given a nicer vibe.
(pos) Really good safe location, all female room made getting changed a lot easier, very friendly staff, delicious vegan option at the hostel dinner, no pressure to drink with everyone when it came to group shot time, bar crawl, walking tour and large table to eat at were all great for meeting new people.
(pos) tudo
(neg) Wi-fi was a little weak. Not enough light in the room, but maybe that's on purpose so as to not wake people at night.
(pos) Friendly staff makes you feel so welcome! Really great space for socializing, especially for solo travelers. Convenient and good breakfast; amazing delicious communal dinners every night with open bar. Two blocks from the water; close to everything.

(neg) the wifi was not working all the time. (pos) Staff were really nice! The food (I only had dinner) was amazing, great value for the money. (pos) great location & wonderful staff. highly recommended for solo travelers!
(pos) Amazing people working there. Great food and really good tours. Can't beat it in Lisbon!
(neg) Very poor WiFi connection in the room also bad signal so even I was trying to use my own data for the internet that was not possible. Requested a low bunk bed while booking but didn't got it in the end, the up bunk is too high that was not easy to get up and off. The music during the breakfast is too loud which is disturbing for those who expected the quite/chill/relaxing morning. Even it's good music could be annoying sometimes just imagine if the music is bad (which it was, sometimes). (pos) Easy to meet travelers around, decent hostel for staying if you would like to explore the city more. The location is in the heart of the city.
The staff was great, the bedrooms were clean and comfortable as well as the bathroom. comfy bed. The location was great. The environment at the hostel was good, great breakfast, dinner and even the tour to Sintra. I would definitely come back and I totally recommend this place.
(pos) I wish the wifi would have been better. It did not reach my room on 3rd floor (neg) Staff was extremely helpful and friendly. They have free guided visits of the city. They put on great meals at very reasonable prices...

Equipe excelente , tive uma emergência médica e toda a equipe desde a recepção até o pessoal da limpeza me deram muita atenção
O hostel é muito bom em todos os sentidos, principalmente por está no coração de Lisboa!!!
Pedro gave me a warm welcome just as I arrived and that set the tone for the rest of my stay. Duarte was equally hospitable and it was good to have great conversations with both of these guys. Duarte I am still bitter about you not saying I was your favorite guest before I left....:-(hahahaha. Planned great walking tours and our guide was really knowledgeable, I managed to learn more about Lisbon and Portuguese history. This place is especially good for solo travelers as the dinners allowed you to meet new

people, so if you did want to be social you had multiple opportunities to do so. The beds have curtains, so you can still feel like you have some privacy in the rooms. Even though the hostel does have a lot of social events it is surprisingly very quiet in the room area so if you do not feel like venturing out one night you can be sure to get a good night's rest...unless of course your dorm mates snore, which isn't the fault of the hostel. Would definitely stay here again. Thank you all for the great experience!

(pos) Foi a primeira vez que eu fiquei em hostel e a experiência foi ótima. A localização do hostel é excelente. O staff é formado por jovens muito simpáticos e atenciosos. Quanto a limpeza, nunca vi nada igual (nem em hotéis)! O jantar oferecido por 10 euros vale muito a pena, sendo um importante momento para socializar entre os hóspedes, sobretudo em função do open bar a partir das 21h. O café também é ótimo. As acomodações tbm são excelentes: a cama é muito confortável, com um ótimo espaço para guardar a bagagem.

(pos) I met a lot of fun people at Yes, Lisbon. Definitely recommend for solo travelers. The lounge area is really chilled out and comfy. There are organized walking tours, community dinners, pub crawls amongst other things. There are rooms with 4/6 bunk beds with curtains so you can have a sound sleep. The bathrooms are really clean and have preinstalled hair dryers. The staff is quite friendly and helpful. Internet connection is quite good, I was able to stream twitch without any problems in 720p. Some of the major attractions in Lisbon are at a walking distance which was quite important for me as I try to cover a city by foot as much as I can.

(pos) The reception staff at Yes! Lisbon were very helpful: Fabio gave excellent recommendations for places to visit outside the city center. The dorms were some of the most comfortable I've stayed in. The lockers were easy to use and had enough space for a week's worth of clothes. (neg) Poderiam ter um horário de check-in e out mais flexíveis e diferenciar um pouco o café da manhã (que todos os dias tem as mesmas coisas). Funcionários da limpeza não seguem o padrão de simpatia dos funcionários da recepção. Instalações não são das mais modernas. (pos) A localização é uma das melhores de Lisboa, perto de tudo e muito fácil de se locomover. Custo/ benefício do café da manhã é bom, poderia ter apenas uma variação de alimentos entre um dia e outro, todos os dias é igual. A maioria da equipe é super animada, simpática e muito prestativa, ajudam muito no que for preciso. Em comparação a outros hostels este era um dos mais confortáveis. Um ótimo jantar, com entrada, sopa, refeição principal, sobremesa e open bar por um preço super em conta. Áreas comuns não eram das maiores e mais confortáveis, porém, era aconchegante.

(neg) I honestly can't think of anything? Can you do anything about all the hills? Lol. (pos) This place was amazing. Usually reviews can be unreliable but with this place, you are definitely in for a treat! I stayed in a shared 6 bed ensuite and it was so spacious! The top bunk is a bit of a daring ride up but aren't they usually? The bathroom was SOO clean, I think it was cleaned multiple times a day. Then we have all the activities! 2 euro break fast, Walking tour, Sintra, Pub crawl, family dinners! It was an action packed 3 days with something to do for every type of traveller. It does lean towards a party hostel but I couldn't hear anything once I got into my room. Finally the staff. Gosh how do they fit so many awesome people in one place?! Everyone was so so cool. (neg) gostei de tudo.
(pos) Os quartos e os banheiros eram.limpos, o astral do hostel é maravilhoso.
(neg) Não há nenhuma reclamação. A única coisa ruim é a parte de ir embora, gostaria de ter ficado mais tempo.
(pos) Foram impecáveis, assim como eu já esperava. Melhor franquia de hostels que já conheci. Um grande abraço a todos, voltarei assim que possível.

(neg) A única questão é a chave doo apartamento. Tive problemas algumas vezes, que foi ignorada por um dos atendentes. E outra colega de quarto também teve, sua chave conseguia abrir outros quartos em que não estava hospedada. Creio que a segurança seria uma questão a reforçar o hostel que, em geral, é ótimo.
(pos) Café da manhã é ótimo, muito bem servido. Cama muito confortável, com o diferencial de cortina que dá mais privacidade. Excelente limpeza, que sempre vemos quando estamos no hostel. O diferencial é o esforço do hostel em nos sentir bem acomodados, bem recebidos e bem informados, além de bem integrados. Não deixe de conferir o city tour grátis (com exceção de Sintra) e também o Pub Crawl.

(pos) 10 euro four course dinners every night with an open bar! Can't be beat and the food was amazing every time. I didn't even try to go out for dinner in Lisbon.

Cama confortável, quarto bonito. Banheiros limpos. O hostel tem um espaço para sentar, comer e interagir com outros hóspedes. Recomendo fazer o pub crawl, a galera é bem animada e os funcionários são muito simpáticos.

A equipe toda do Yes Hostel é incrível! Os jantares sempre muito bons e a melhor forma de conhecer outras pessoas. Os passeios oferecidos pelo hostel também valem muito a pena!
The staff is absolutely amazing! Felt such a warm welcome when I checked in. The rooms are okay, bathrooms clean. The dinner at the hostel is probably the best hostel dinner I ever had; traditional Portuguese dishes of restaurant quality. Thumbs up! Had an amazing time and would never even think about going to another hostel when I go back to Lisboa

(pos) Nota 10 para o conforto, instalações modernas, o maior espaço para guardar a mala que já vi, o staff é espetacular. Fica ao lado da igreja dos Clérigos, próximo da estação do comboio, perto de bares, discotecas, restaurante e lojas. Quando eu retornar ao Porto ficarei na minha segunda casa. Parabéns a toda equipe.
(neg) The toilet are a bit small with the large bin in the same small space. I sometimes could feel the spirals in the bed, but that really is the only bad thing about this perfect stay (pos) Yes Porto is a real nice hostel. I wanted to meet some people and they make it very easy with the bar and diner at night. I love that they have a option for it to be vegaterian and even vegan!!!! The port tour (25 euro 7 tastings) and the free walking tour are awesome and they come pick you up at the hostel. Yes Porto made my stay in Porto perfect! Oh and the showers are really nice.
(neg) The hostel was hard to find using google map. The lock was broken (pos) Big and warm shower, friendly staff, great location, clean room with curtains for the bottom bed
(neg) I think breakfast should be included for the price of the rooms. (pos) Amazing location and perfect for socialising with the other guests.
The hostel is extraordinarily good and I cannot recommend it enough. The rooms are very comfortable, bedsheets are clean, comfy and smell nice. The staff is super cool and I loved the atmosphere in the chill area. Also, they have a great location and nice dinners. 10/10 !
(neg) My own mirror would of been nice in my bunk. (pos) Breakfast, family meal, pub crawl, walking tours are fantastic! Highly recommend. Staff were great and the hostel is clean and I would Stay there again. Oh not forgetting there is a bar on site! Perfect!

(neg) Recomendaria a troca da roupa de cama, pois quando os demais se mexiam no dormitório, fazia muito barulho e me acordava facilmente. Um aviso que toalhas não são disponibilizadas pelo hostel seria bom para desavisados também. (pos) Cama confortável, tomada acessível, internet de boa qualidade disponível, chuveiro muito bom, vista do quarto incrível. Pessoas muito atenciosas que me ajudaram com as malas pesadas.
(pos) Atendentes muito simpáticos e prestativos. Banheiro e quarto limpos.
(neg) I hope, even in the mix area, female and male bathrooms could be more separated. (pos) Everything is perfect. Decent room. Great location. Hot shower. Clean toilet. Friendly staff. Cheap breakfast. Very nice reception. Highly recommend!

(neg) I found the number of toilets per flour were far too few for the number of beds per floor. Having to wait so often, or go to another floor for a basic need is frustrating. (pos) The partying is limited to the main reception area, which allows early risers and quieter guests a chance to enjoy a good hostel. Best of both worlds.

(neg) Chuveiros frios e banheiro misto no andar que nos hospedamos. (pos) Bem localizado, ótimo café da manhã, camas confortáveis, quarto pequeno porém aconchegantes, funcionários simpáticos.

(neg) Banheiro: a água do chuveiro ficava fria, o banheiro era compartilhado homens e mulheres. Elevador: hostel não tem elevador, o que dificulta bastante subir com malas, pois o hostel tem muitos andares. Outro ponto é o aquecedor: Não há aquecedor, somente um ar condicionado que esquenta ou esfria dependendo da configuração, porém, sabemos que o ar quente sobe, as camas de baixo ficavam frias e as de cima muito quentes. (pos) Café da manhã ótimo, com bastante variedade. Quartos bons também, camas confortáveis.
(neg) everything was perfect! (pos) This is my second time here and as the first one, everything was awesome. Clean, well kept, functional room. Staff always super nice and helpful. They have an amazing dinner every night that I totally recommend. Awesome position to reach everything important: historical places, night life and metro to airport. I'll be back for sure!

(pos) Wonderful place, super social too. Staff were really friendly and helpful. Breakfast was only 2 euros and great value for money. Location was fantastic, close to lots of restaurants, metro stations, local landmarks. I highly recommend this ace
(neg) not even the slightest fault! (pos) The best hostel I've ever stayed at. First 10/10. I arrived alone but left to Lisbon with a new family. Staff were incredibly friendly. Tulio's dinners with free beers were delicious. Miguel and the other staff were top class. 12 noon check out makes a big difference. The place is always spotlessly clean including crisp linen. Couldn't recommend this hostel and this city any higher.
(neg) Na verdade só achei que tem muuuuitas escadas, mas eles ajudam com a mala, então isso não é um problema. (pos) A equipe é excelente, muito atenciosa e prestativa, fazendo sempre tudo para você se sentir em casa. A localização é excelente, praticamente na frente da igreja dos clérigos, se você tropeçar cai lá 😊
(neg) nothing (pos) everything... the dinners, the room, the staff
(neg) Certamente faltam ganchos (pelo menos no quarto que fiquei e no banheiro); não tem elevador, mas isso não chega a atrapalhar quase nada.

(pos) Excelente localização, literalmente quase do lado da torre dos clérigos; praticamente todos os locais turísticos estão muito perto, ou seja, é possível fazer quase tudo à pé. Ótima integração noturna tbm.
Gostei de tudo. Relação preço qualidade mesmo muito boa. Excelente decoração e muito bom ambiente. Os jantares são excepcionais, com muita animação e boa música. Fica localizado a 10 metros da famosa Torre dos Clérigos, um ícone da cidade...

(neg) O quarto (4 pessoas misto) era apertado e pouco iluminado, mas cada cama tinha uma luminária e tomadas individuais. Os lockers eram embaixo dos beliches e ativavam pelas pulseiras eletrônicas, mas a tranca pela pulseira não estava funcionando. No final, isso não foi um problema pois o pessoal da recepção logo nos emprestou cadeados sem hesitar. Achei o hostel um pouco barulhento mas, no geral, foi uma boa estadia. Me hospedaria lá novamente!
(pos) Localização impecável, do lado da Torre dos Clérigos e bem próxima à estação de comboios de São Bento. Staff muito atencioso, café da manhã com opções variadas comparado ao preço pago (2 euros por pessoa). O banheiro, que era compartilhado, estava sempre limpo apesar de às vezes faltar papel. O aquecedor do quarto funcionava muito bem e não tive problemas com wifi.

Boa localização, funcionários simpáticos e ótimo custo-benefício.
Fiquei pouco tempo, mas fui muito bem recebido por todos do hostel. além disso, recebi excelentes dicas de atrações turísticas, como economizar, restaurantes e etc... Recomendo e certamente voltarei em um futuro recente.MEHOR LOCALIZAÇÃO DA CIDADE.

(neg) O banheiro é fora dos quartos, no meu caso atendia a quatro quartos. Faltavam tapetes para secar os pés, então estava tudo sempre molhado o tempo todo devido aos chuveiros. Nos quartos não haviam tapetes tb, o que deixa tudo sempre molhado. Na verdade são 2 bicamas coladas nos quartos. Na prática são 4 pessoas dormindo juntas. Seu conforto dependerá exclusivamente dos seus colegas de quarto. Não foi o meu caso. Pequenos detalhes podem melhorar a situação dos quartos. Penduradores e prateleiras resolvem o problema. Não havia espaço para pendurar toalha, casaco, qualquer coisa que fosse. Logo o quarto fica bagunçado, para chegar até minha cama eu precisava saltar malas abertas e toda a sorte de objetos largados no chão, visto que não havia espaço fora da gaveta para malas. Outro detalhe, não dá certo aquele secador de cabelo no quarto. As orientais q se hospedaram comigo acordavam às 6h e iam tomar banho e secar o cabelo no quarto como se fosse meio dia! Terrível! Aos fins de semana há muito barulho e som na rua. Se tiver em andar baixo vais sofrer um bocado se pretender descansar.

(pos) O locker da bagagem é ativado com a pulseira que dá acesso ao quarto, dispensando cadeado. A localização realmente é o melhor. Funcionários prestativos e dispostos a ajudar com informações.
(neg) Breakfast was not anything special, and they charge 2 euros for it (but the coffee is free). But there are many cafes right outside if you're looking for something more exciting.
(pos) The location couldn't be any better. The hostel also offers free walking tours and easily set up paid tours to see all the other best parts of the city. There's a chef that makes 4-course dinners every night for cheaper than you'll find anywhere in the area, and it's a great way to meet other travelers staying in the hostel.

Great staff and great hostel. The kind of hostel you will always come back. The common area is small but it's like that that people can interact easily. I totally recommend this place for people who want to meet people from all over the earth ;)
