

This architectural section drawing illustrates a building's internal structure and spatial organization. Key features include:

- Dimensions:** Vertical dimensions are marked at 2.00, 4.76, 1.00, and 3.63. Horizontal dimensions include 12.42 and 15.10.
- Structural Elements:** A thick black line indicates the main structural frame or load-bearing walls.
- Interior Spaces:** Various rooms are shown, including what appears to be a large open area, a staircase, and smaller enclosed spaces.
- Roofing:** The drawing shows a complex roof profile with multiple levels and slopes.
- Landscaping:** Trees and shrubs are depicted outside the building, particularly on the left side.
